

Announcement

KBPR Award for the best paper in the fields of

- Renal Disease
and
- Cardiovascular Medicine
and Hypertension

These new prizes are endowed with USD 1000 each and will be awarded for the best paper in the respective field

To qualify for the prize, authors should

- be under the age of 40 when submitting their paper to Kidney & Blood Pressure Research
- have their paper accepted for publication in 2008

Authors who meet the above criteria will be automatically invited to apply for the award.

Seize this opportunity and submit your paper at: <http://oper1.karger.com/kbr>
