

## Erratum

---

The authors of the article 'Rationale and Design of the OACIS-LIPID Study That Evaluates Early Use of Pravastatin in Acute Myocardial Infarction', published in *Heart Drug* 2005;5:193–196, wish to publish the following text:

There is a correction for the section of 'Methods' in the text, 'noncardiac rehospitalization' (page 194, right column, line 24) should be 'rehospitalization due to other cardiovascular diseases'. This error occurred in translating words in Japanese to English. The authors extend their apologies.
