

New

# Karger Hospital Collection

Karger now offer an **online** collection of titles specifically selected to meet the needs and requirements of clinical centers.

Our new Hospital Collection consists of 22 eJournals and 10 eBooks series with a clinical focus and is therefore of special interest to hospital libraries.

These titles cover a range of subjects across the medical disciplines.

## Complete Collection

- We will be pleased to offer you our complete Hospital Collection at attractive conditions.

## Customized Packages

- Select any number of titles from our Hospital Collection, eJournals or eBooks series, according to the needs of your institute:
- For packages of 3 or more titles (new subscriptions), we will grant a 30% discount off the list price.
- Attractive flat rates apply to packages with 7 or more titles (new subscriptions).

Please select the titles of your choice on the reverse at [www.karger.com/hospitalcollection](http://www.karger.com/hospitalcollection) and we will get back to you with a customized quote.

## Your Advantages

- All titles (eJournals and eBooks) in one package at an attractive price
- Unlimited simultaneous access
- Perpetual access guaranteed
- Newly implemented Google® search tool for Karger contents
- eJournals and eBooks available on the same platform

Karger offer a wide range of bio-medical titles.  
Please refer to **[www.karger.com](http://www.karger.com)** for an overview.
