Continuation Order for Book Series

Continuation orders authorize Karger to ship and bill each subsequent volume in the selected series immediately upon release. Continuation orders bring the benefit of automatic continuity under your order number. You may cancel your order at any time. The right to return individual volumes within one year is granted. Books in Karger series are published with variable frequency. Prices vary according to folio, therefore advance payment cannot be accepted. Detailed information can be found on the individual book series' homepage.

Fortsetzungsauftrag für Reihenpublikationen

Fortsetzungsaufträge ermöglichen es dem Verlag, Ihnen jeden neuen Band einer Reihe unmittelbar nach Erscheinen mit Rechnung und Ihrer Bestellnummer zu liefern. Die schriftliche Abbestellung kann jederzeit erfolgen. Das Rückgaberecht für einzelne Bände innerhalb eines Jahres ist gewährleistet. Bände einer Karger-Reihenpublikation erscheinen in unterschiedlichen Zeitabständen. Die Bandpreise richten sich nach dem Umfang, Vorauszahlungen können daher nicht angenommen werden. Ausführliche Informationen finden Sie auf den Homepages der einzelnen Buchreihen.

For detailed information please consult the individual bookseries homepages

Karger Books Collection 2010

Since its launch in 2008, our eBooks Collection has fulfilled all its promises to libraries: Easy, seamless online access to the Karger book series volumes as soon as they become available, a single invoice per year, and guaranteed perpetual access.

Judging by the increasing demand, our eBook series make for a perfect online collection.

Due to our consistent publication schedule, we can continue to guarantee a minimum of 35 titles per copyright year.

Therefore, it is our pleasure to announce our eBooks Collection 2010:

— **Karger eBooks Collection 2010**

Guaranteed minimum of 35 titles published between October 2009 and September 2010. Price: CHF 6 000.–/EUR 4 000.–/USD 6 000.00

— **Attractive package offer**

Karger eBooks Collection 2008–2010. At least 105 titles 2008 (35), 2009 (35) and 2010 (minimum of 35). Price: CHF 9 500.–/EUR 6 300.–/USD 9 500.00

Please note that these prices apply to academic institutions only. Corporate organizations please contact us for a customized quote.

Your Advantages

- One-time buy, no additional maintenance fee
- Unlimited simultaneous access
- Easy access via IP address or User ID and password
- Perpetual access to the purchased content guaranteed
- Newly implemented Google® search tool for the complete Karger contents
- MARC 21 records for easy integration into your library catalogue
- COUNTER-compliant statistics available

Individual online and print & online combined series are also available.
Prices on request.
